# CARRIER ALERT

## WHAT IS THE PROGRAM?

Some older residents and disabled or special needs persons in Sierra Madre have no family or friends to routinely check on their welfare. This program is designed to identify those people who may need special assistance.

## HOW CAN I PARTICIPATE?

If you wish to have this special attention, please fill out the participation form and mail or drop it off to the Sierra Madre Police Department. Additional participation forms are available at the Community or Senior Centers and The Sierra Madre Police Department.

## HOW DOES THE PROGRAM WORK?

Once participating seniors or disabled persons are identified, the Postmaster will notify the postal carriers to pay closer attention to those who are located in their service area.

Postal carriers and neighbors will be alert to residents who have not been seen, mail has not been taken in, newspapers remaining on the driveway, or lights, or televisions left on are possible alert indications.

Postal carriers who detect anything unusual will call the Sierra Madre Police to contact the resident. If you see something suspicious or unusual at one of your neighbor's homes, call the Sierra Madre Police at 626-355-1414.

In most cases, officers will call the emergency contacts listed on the participation form to notify of them of the police response. The Sierra Madre Police will respond to assist any residents who need them.

## WHOM DO I CALL FOR QUESTIONS OR ADDITIONAL INFORMATION?

If you have any questions, please feel free to call the Sierra Madre Police Department, Carrier Alert Program at 626-355-1414.
